Welcome to HBA: You've just joined the largest, and longest standing Business Association in West Yorkshire

Together we're stronger: We believe that together we're stronger, and our members abide by the principle of "shop local", either by buying, promoting or sourcing products/service locally for each of our businesses. We therefore want to circulate your contact details to other members. By signing this application form, you confirm that you want to engage in this process.

Planning for success: We have an Annual Business Plan compiled by HBA members, to which we welcome your input – both in terms of ideas that you can suggest, expertise you can offer or time you can give to support our community of businesses. No matter how small – your input and help is appreciated. Our plan is reviewed annually at AGM in February for the coming year, but it's not set in stone as the world changes, so ideas are welcome at any time. Contact June Mclean (Junemacc@talktalk.net) or Sylvia Sellen (sellen8px@btinternet.com)

Different locations, different offerings, different customers: Our businesses are located in one of our 3 business parks, at Crossley Mills, Queens and Steps Mill, at many homes in and around Honley or in our village centre. The needs of each are different, and your respective input is vital to ensure we learn from, and support, each other.

Getting to know you: We hold regular meetings for all members with additional get togethers for smaller groups when organising specific activities. But don't wait for us, - feel free to contact each other. *Once your application has been returned and payment made please request to join our Facebook HBA Members site "[Honley Business Association - Members Only Group](#)"*

Our Social Media profile: Our Facebook Page ([What's Happening In Honley](#)) & Facebook Group ([Honley Community](#)) attract over 6,500 (mostly local) followers, and you have the opportunity of placing one post per month to promote your business in Honley Community (non-members are not allowed to post at all). We're also on Twitter - [@HonleyBizAssoc](#). Please JOIN Honley Community Facebook Group, LIKE our What's Happening in Honley Facebook Page and FOLLOW us on Twitter.

Events: We hold events in the village to increase our profile and to optimize footfall. These comprise of two events per year; Xmas Lights Switch On and our Xmas Street Market on the 2nd Saturday of November and 1st Saturday of December respectively. If you would like to reserve a pitch at the street market, please contact junemacc@talktalk.net We usually hold one other event each year, the date of which changes depending on who is organizing what. If you wish to get involved, or need more information please contact sellen8px@btinternet.com
